Dear Sir,

Catering services on KCA Deutag Drilling Rigs

It is with great pleasure for me to write this letter of appreciation to West African Catering (WAC) Management and entire Staff.

KCA Deutag has more than a DECADE a professional business relationship with West African Catering. Since more than 15 Years WAC has been our reliable partner in providing catering services within our Onshore and Offshore activities.

The entire "Catering Standard" including safety commitment and ownership was part of our success story.

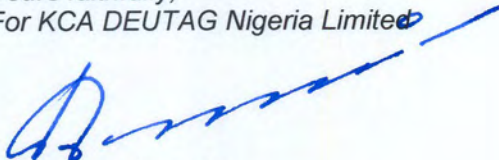

KCA Deutag operates in the most difficult areas in Nigeria. The engagement from the West African Catering within the daily operation and business helped us to past this difficult time successful.

The West African Management vision is part of the set milestone within the Nigerian Drilling Industry the success speaks for itself.

We have enjoyed working with you as partner together over all the years and therefore the success story will continue in the future.

Thank you,

Yours faithfully,
For KCA DEUTAG Nigeria Limited
